- The Dumas Noon Lions Club added 22 new members last month bringing their membership to 240±
- Trish Wilson from the Texas Lions Camp was the featured speaker at the Mid-Winter Conference. The TLC had 1401 campers last summer. A small part of Trish's newsletter this month: *The campers of Texas Lions Camp sessions of the early years also have returned. We have had visitors that were former campers in the '50s and '60s come to the camp again as adults bringing their families and telling this story of how this place changed their lives. Others giving their resources to provide others the same opportunity that they had and a simple remembrance, "this was a wonderful part of my childhood and made me into the person I am today." Isn't it amazing to know that something that started so many years ago still has a fantastic impact on the lives of so many. Do you realize the Texas lions camp has served over 62,000 children in the last 61 years? Right now there are children that are preparing to fill out applications and come to this "Heaven on*

Earth for kids with physical disabilities, type-1 diabetes and cancer this summer?

Won't you be a part of their story? Sponsor a child by signing their application and making sure they have transportation to the camp. Make today a day you change a life, even if it's your own, be a part of Texas Lions Camp.

**NEXT ALLC BOARD MEETING.....
Wednesday, February 9, 2011, 12 Noon,
Dyess-Peterson Testing Lab, 1700 SE
22nd.**

A plane with 4 passengers is about to crash, but has only 3 parachutes. The first passenger said, "I'm Kobe Bryant, the best NBA Basketball player. The Lakers need me, I can't afford to die.." So he took the first parachute and left the plane.

The second passenger, Hillary Clinton, said, "I am the wife of the former President of the United States; I am the most ambitious woman in the world. I am also a New York Senator, a potential future President and, above all, the smartest woman in the world." She grabbed the second parachute and jumped.

The third passenger, Rev. Billy Graham, says to the fourth passenger, a 10 year-old school boy, "I am old and I don't have many years left. As Christian I will sacrifice my life and let you have the last parachute.

"The boy said, "It's ok; there's still a parachute left for you. America's smartest woman took my school backpack."

BRING A GUEST TO NEXT WEEK'S MEETING – WE NEED NEW MEMBERS
